

CW Television Network CALM Act Certification

This is to certify that:

1. Pursuant to Section 73.682 of Title 47 of the Code of Federal Regulations, all commercial advertisements and promotional announcements embedded in programs carried on the CW Television Network are in compliance with the loudness control practices contained in Advanced Television Systems Committee (ATSC) A/85: Recommended Practice: Techniques for Establishing and Maintaining Audio Loudness for Digital Television (“ATSC A/85 Recommended Practice”) during the creation of VOD programs at the point of distribution by the CW Television Network to the stations.
2. Compliance with the ATSC A/85 Recommended Practice is determined by the CW Television Network through the use of equipment and associated software that is installed, utilized and maintained in a commercially reasonable manner.
